Windstar Cruises might be a bit under the radar compared to some larger cruise lines, but that's exactly what makes them so special.

- Intimate and Unique Experience Windstar operates small, sleek yachts – think boutique sailing ships. Imagine a front-row seat to sunsets over the ocean on a ship that feels more like a private yacht.
- Unique Destinations and Authentic Ports Sail to hidden gems in the Mediterranean and Caribbean to culturally rich harbors in Asia and beyond.
- Culinary Excellence at Sea. Fresh, local ingredients and gourmet menus create a dining experience that's as memorable as your destinations
- Personalized Service. Because the ships are smaller, service is incredibly attentive and personalized.
